

Osawatomie Golf Course Open for Play  
April 25, 2020

Golf Course COVID-19 Protocols for safe play

Clubhouse operation

1. The golf shop and clubhouse are closed. The restrooms will be available through the Front entrance (south side). We ask that you please limit use of restroom to a single user.
2. All golfers are required to schedule a tee-time. Go to [www.osawatomiegolf.com](http://www.osawatomiegolf.com) to reserve a tee time. Tee times will be scheduled in twenty minute intervals. Golfers will be asked to provide credit card information when booking tee times over the phone.
3. Pre packaged food and drink will be available for purchase. Golfers can order and purchase over the phone. Call 913-755-4769

Golf course rules for play

1. We ask that all golfers remain at least six feet apart at all times. Our ability to remain open is dependent upon everyone's safety.
2. Please return golf cars to the return area upon completion of your round.
3. We ask for your help in removing trash from your golf car before we disinfect it.
4. Only golfers who live in the same household are allowed to ride together. Golf cars will be on a first come-first serve basis.
5. Please do not tamper with or touch the cup or flagstick. A small foam insert has been put in place so your ball will be easily retrievable.

Additional Information

1. The driving range will remain closed until we can ensure safe use of the practice facility.
2. All equipment and touchable surfaces will be disinfected on a regular basis.
3. All guidelines and golf course rules for play are subject to change at anytime.

We continue to monitor the current situation and appreciate your support and cooperation
